CHARDONAY SONOMA COUNTY 2016

*Wine for everyday
enjoyment
and entertaining*

WHAT YOU'LL TASTE

Green apple and pear are complemented by tropical fruits like pineapple and mango with a hint of lemon custard. Richly textured and concentrated with balanced acidity that drives a lingering finish.

WHAT TO SERVE

A great sipper on its own. Also delicious with shellfish like crab, lobster, and prawns prepared in a buttery, creamy sauce. Perfect with a simple roasted chicken and pasta or risotto.
