MALBEC CALIFORNIA 2016

*Wine for everyday
enjoyment
and entertaining*

WHAT YOU'LL TASTE

This malbec shows jammy berry aromas that are lively and bright. The plum and black cherry flavors integrate throughout this balanced wine with a touch of earthiness and supple texture.

WHAT TO SERVE

Malbec is an excellent match for leaner cuts of red meats like hanger or flank steak and even dark turkey meat or roasted pork. Malbec works well with pepper, sage, melted cheese, and in particular, blue cheese.
