WHAT YOU'LL TASTE

A full-bodied, ruby-colored Cabernet that showcases feminine, floral aromatics and rich, fruit-forward elegance. The volcanic soils in this boutique AVA allow for deep concentration in the fruit profile in this wine. The palate is medium-bodied, featuring notes of cherry blossom, black cherries, blackberry jam, fresh clove, and coffee beans. The finish is generous, with chewy tannins and nuances of milk chocolate and toasted vanilla bean.

WHAT TO SERVE

Due to the higher altitude, Red Hills Cabernets tend to be more like the traditional Bordeaux Style of winemaking. Pair this food-friendly wine with French dishes like Coq au vin, or a spice-rubbed rack of lamb.
