

2022 CHARDONNAY SONOMA COUNTY

WHAT YOU'LL TASTE

Supple and unctuous, aromas of fresh grapefruit, anjou pear, granny smith apple & warm spice. Flavors of honeycrisp apples, pineapple, toasty oak and cedar are accented by refreshing acidity.

WHAT TO SERVE

Serve this go-to white wine all year long with fresh seafood, creamy pasta, and lighter fare like tomato salad or ceviche. If you are looking for an everyday wine to indulge in by the glass, this is the perfect choice to stock your cellar.
