

2023 CABERNET SAUVIGNON CALIFORNIA

WHAT YOU'LL EXPERIENCE

Aromas of ripe boysenberry, warm vanilla, black cherry and pie crust are followed by rich flavors of black cherry, blueberry, espresso, notes of black pepper and hints of black tea. The mouthfeel is velvety and the tannins are smooth and silky.

WHAT TO SERVE

The 2023 Thomas Henry Cabernet Sauvignon's rich dark fruit flavors and velvety tannins pair well with grilled ribeye, braised short ribs, or roasted lamb. Its hints of espresso and black pepper complement smoky barbecue, aged cheddar, and mushroom risotto. For a bold yet balanced pairing, try it with dark chocolate or black pepper-crusted tuna.
